OVERALL MATCH SCORE
100.0%

ATS Compatibility: 70/100

■ MISSING SKILLS

- Internship or project experience in mechanical design or manufacturing
- Exposure to automation or industrial systems
- Knowledge of quality standards and safety practices

■ RECOMMENDATIONS

- Include relevant internship or project experience in the resume
- Highlight any experience with automation or industrial systems
- Emphasize knowledge of quality standards and safety practices

■ FORMATTING & ATS TIPS

- Use bullet points to break up large blocks of text
- Use action verbs to describe responsibilities and achievements
- Quantify achievements by including numbers and statistics
